Welcome to Spring Open Studios

You'll find in this guide a map of artist studios, a list of artists by studio address and related events, parties and receptions. The artists participating in Spring Open Studios have each put together an exhibition of their artwork and will be open to the public on Saturday & Sunday, April 16-17, 11am-6pm.

We hope you enjoy this intimate look into the environments where the Mission artists create their work and the opportunity to purchase art directly from the artist themselves, often at a discount.

THANK YOU!

We would like to thank all the artists in the Mission for making MAU so successful, exciting and dynamic. We owe everything we are to the creative work of the artists in this vibrant arts district, and to the help of our volunteers and supporters.

We would like to extend special thanks to:

- ★ Howard Flax & the super staff at Flax Art & Design (especially Leslie, Ron, & Max)
- ★ Heather Holt Villyard & ArtSpan for their support
- ★ Kristin Kyono, Piero Spadar, Maria Medua, and Mina Dresden for their generous time and effort creating our first Spring Preview show
- ★ All our awesome MAU volunteers (artists and otherwise)
- ★ Mr. Rogers (head geek and actualizer)
- ★ Trish Tunney (visionary and “unofficial mayor” of the Mission artists)

Thanks to all our supporters and fans. Looking forward to the future!

The MAU Team
